

THE CITY.

DIVINE SERVICES TO-DAY.—The Right Reverend C. T. Quintard, Bishop of the E. Church in Tennessee, will preach at St. Peter's Chapel, North Summer street, between Madison and Monroe streets, at 3 o'clock this afternoon, and will administer the holy rite of confirmation.

JUDGE M. M. BROWN, opened Chancery Court yesterday for the benefit of the people of Franklin, Tennessee.

THE MEMPHIS PAPERS of Saturday report a number of fatal cases of cholera in that city on Thursday and Friday. Strange indeed that this dread disease should have broken out again and so late in the season.

CARELESS DRIVING.—A colored boy, who drives an express wagon, carelessly run over a little child in the streets on Saturday evening. Yesterday morning he was fined ten dollars and sent down to the workhouse.

THE PEARL AND DOLBEAR CASE.—This case which is exciting considerable interest, was to have been examined yesterday morning before the Recorder's Court, but was continued, for want of time, until eleven o'clock to-day.

CRUELTY TO ANIMALS.—A negro named Pleasant Cook was brought before the Police Court yesterday, charged with cruelly beating a cow belonging to a Mrs. Davis. The testimony established the fact that he had pounded the animal with a club for at least ten minutes. The negro stated in extenuation of his conduct that the cow was in the habit of breaking into his garden and eating his cabbage. He was fined ten dollars.

REGRAVING.—Several persons were arraigned before the Recorder's Court yesterday morning on the charge of buying in the market to sell again. S. P. Ball who was arraigned upon this charge was dismissed, it being proven that he was buying for the Chattanooga House in Chattanooga. An individual named John Richards was fined ten dollars for regaining, as was also a Mr. Brenner.

IS IT SO?—We clip the following from a Memphis paper. "Persons from Nashville inform us that a member of the Legislature is engaged there as a waiter-boy in a first-class restaurant. This, beyond doubt, reflects severely upon the waiter-boy profession, but brings dollars to the pockets of the legislator, and in every way advances the dignity and standing of our legislation."

DEATH OF WM. H. HAGAN.—This well known citizen left Nashville a few days since to transact some business in Memphis, but was taken suddenly ill and died of apoplexy Sunday morning. His remains arrived here yesterday, and the funeral services, we understand, will take place to-day. Squire Hagan was a well known and highly respected member of our community, and his death will be regretted by a large circle of friends, who appreciated his many excellent qualities.

ALL ABOUT AN OLD HAT.—On Sunday evening, a young man named James Mahon, evidently from the provinces, went down to one of the establishments of North College street in his rounds to see the sights. While sitting bashfully in a retired corner, one of the female inmates seized his hat, a dilapidated apology for a head-piece, and tearing out the crown threw it into the fire. This act so shocked the fellow that he at once withdrew, and meeting a policeman, had the young lady arrested. The parties came up before Recorder Foster, yesterday morning, whereupon the case was dismissed, the prosecutor paying the costs.

A STABBING AFFRAY.—We understand that a difficulty occurred, on Saturday night, in the Exchange saloon, between two men named Fitzgibbons and Burns, in which the former was stabbed by the latter. It seems that the two started out to pass the evening together, but a quarrel occurred between them at the place named, and Burns drawing a long knife, inflicted a severe stab under the shoulder blade of Fitzgibbons. The cut would have probably proved a dangerous one, had not the knife snapped in two before the full force of the blow was received. The wounded man received the care of Dr. McNeilly. We have not heard of the arrest of Burns.

DISURBANCE IN THE TENTH WARD.—On Sunday night the police attempted to enter one of the houses on North College street, for the purpose of quelling a difficulty, within, when they were set upon by a man named Ed. Gibson, who fired at officer McWright three times, fortunately without damage. The policeman then assaulted him with his revolver and fired several shots at Gibson, riddling his pants and coat, but strange to say, missing his person. Gibson was finally arrested and taken to the workhouse, and yesterday was brought before Recorder Wilkinson, who sent him to jail in default of one thousand dollars bail.

AN AGGRAVATED CASE OF DISORDERLY CONDUCT.—A man named Delf, and a woman named Nellie Johnson were before the Police Court yesterday morning charged with aggravated disorderly conduct. The facts of the case prove to be about these: Delf has kept a sort of drinking saloon at the southern terminus of the College and Cherry streets railroad. His goods were levied upon by the officer for debt, and a man named Wheeler deputed by the constable to watch the property. Finally the affair was compromised and a note was sent to Wheeler releasing the goods. Delf then ordered the deputed officer away and indulged in highly reprehensible conduct as did the woman, Nellie Johnson. Quite a disturbance resulted, and Wheeler had the parties arrested. The house kept by Delf is reputed of very bad character, and it is only a short time since the proprietor was arrested for giving a ball for women of ill-fame. The parties were fined fifty dollars each, and Delf, who was up on the charge of having beaten Miss Johnson, was fined five dollars more.

BROWN'S BRONCHIAL TROCHES, for Pulmonary and Asthmatic disorders, have proved their efficacy by a test of many years, and have received testimonials from physicians who have used them. Those who are suffering from Colds, Hoarseness, Sore Throat, etc., should try "The Troches," a simple remedy, which is in almost every case effectual.

SUPREME COURT OF TENNESSEE.—The Supreme Court met yesterday afternoon at two o'clock, Judges Shackelford and Hawkins being present. The business of the fifth circuit, composed of the counties of White, Overton and Fentress, was taken up and will be continued to-day.

The business of the sixth circuit, composed of the counties of Smith, Macon, Jackson, Putnam, DeKalb and Sumner—the business of Sumner, which belongs to the ninth circuit having been for the convenience of the bar, added to the sixth circuit—will be disposed of next. The remainder of the docket will be disposed of in regular order, taking up next the seventh, then the eighth, ninth, tenth, eleventh, twelfth and thirteenth circuits according to number.

The Court will meet regularly at 10 o'clock A. M., and adjourn at 1 P. M., each day.

THE WONDERFUL HANLON BROTHERS.—Wm. C. Amory Bruce, the untiring and energetic advance agent for these remarkable athletes and gymnasts, informs us that the subscription sale of reserved season tickets will commence at the music store of Dorman & Bang to-day at ten o'clock and continue all the week, daily, from 10 A. M. till 4 P. M. On Friday, and after, single reserved seats will be offered for sale. In consequence of the immense crowds which everywhere greet the Hanlons, the manager must deem it necessary, as a matter of convenience to their numerous patrons, to, as far as it is possible, do away with the crowds at the ticket office in the evening. Massicot Temple will be none too large to accommodate the attracted crowds who will avail themselves of this grand and wonderful treat, as the Hanlons stand at the very head of the gymnastic world.

CRIMINAL COURT.—The December term of the Criminal Court opened its session yesterday, Judge Frazier presiding. The following gentlemen were sworn in as Grand Jurors: R. A. Barnes, foreman; J. R. W. Pearce, Gilpin Hallum, James Corbett, Andrew Johnson, Hollis Hagar, Jackson Clay, A. J. Jones, J. C. Harris, David Lanier, R. M. Watson, Felix Long, G. M. McMurray.

The Judge delivered a short and concise charge to the jury, coming out particularly strong upon those who violate the liquor laws.

W. N. McCool was sworn in to wait upon the Grand Jury.

In the case of the State vs. Nancy, and George Layton, charged with larceny, the parties were continued from day to day upon their own recognizance.

State vs. Wm. Hewlett, charged with forgery, a nolle was entered and the parties discharged upon the payment of the costs. State vs. C. Altmyer, selling liquor on Sunday. Nolle at cost.

The present term of the Criminal Court will doubtless be a long one. In fact, it is intimated that it will last at least five months. The docket is very full and there are many cases of interest and importance to be disposed of.

SUDDEN DEATH.—We are called upon to record the death of an old and well-known citizen of Nashville, Dr. S. R. Wharton, who died very suddenly Sunday evening. About three o'clock the Doctor left his office on Cherry street, between Broad and Church, and proceeded to the drugstore of Demorelle & Co., corner of Church and Cherry, where he asked for and obtained thirty grains of ipecac. Standing at the counter he swallowed the medicine, and at the instant fell unconscious to the floor. Medical aid was at once summoned, and Dr. T. B. Buchanan soon arrived. Meanwhile the feeble man had been conveyed to the rear of the store, where everything was done that medical skill could suggest to avert the result which seemed imminent, but without success. His pulse continued to beat feebly for half an hour, respiration being forced by the involuntary muscles. At the end of that time life faded out and became entirely extinct. The immediate cause of this sudden and fatal attack was paralysis of the heart. The Doctor had been slightly indisposed for several days, and it was observed at the time he called for the medicine in the drugstore that his manner was strange and unnatural. Still no one anticipated the sudden and fatal termination which has transpired.

Dr. Wharton was something over forty years of age, and was a man of very considerable acquirements, not only in his profession, but in general knowledge and literature. He was formerly a very successful teacher in the public schools. He studied medicine, and graduated from the University of Nashville. He was also a graduate of the Medical College of New York, and spent several years in Bellevue Hospital of that city. In the year 1860 he returned to Nashville, the city of his nativity, where he has been a practitioner of medicine ever since. He was widely respected throughout this portion of the State, and leaves many friends to lament his death.

Special attention is directed to the business card of J. S. Hamilton & Green, grocers, provision dealers and commission merchants, No. 25 Church street. Their stock is very large, various and extremely fresh. They are offering inducements to the city and country trade that should not be overlooked.

DIED.—On Sunday, Dec. 2, 1866, Dr. SAMUEL L. WATKINS, of this city. His friends and acquaintances are invited to attend his funeral, at the residence of F. A. Gaines, South Cherry street, TO-DAY (Tuesday), at 11 o'clock A. M. Services by Rev. R. F. Bunting.

S. T.—1866—S.
Persons of sedentary habits, troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and most superior to all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet.

They strengthen the system and enliven the mind.

They prevent malarial and intermittent fevers. They purify the breath and acidity of the stomach.

They cure Dyspepsia and Constipation.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, saffron, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unaltered over the cork, with plantation scene, and our signature on a finest-plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters for the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment. For cuts, sprains, burns, swellings, and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For sprained horses, the poll-evil, ringbone and every other, the Mexican Mustang Liniment never fails.

For wind-galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings, are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped over and scalded my hands terribly. The Mustang Liniment extracted the pain, caused the sore to heal rapidly, and left very little scar."

"CHAS. FOSTER, 420 Broad St., Philada."

Mr. S. Litch, of Hyde Park, Vt., writes: "My horse was considered worthless (spavin), but since the use of the Mustang Liniment, I have sold him for \$150. Your liniment is doing wonders up here."

All genuine is wrapped in steel-plate engraving, signed G. W. Westbrook, Chemist, and also has the private U. S. stamp of DEMAS, BARNES & CO., over the top.

It is a most delightful Hair Dressing. It eradicates scurf and dandruff. It keeps the head cool and clean.

It makes the hair rich, soft and glossy. It prevents hair turning gray and falling off. It restores hair upon prematurely bald heads.

This is just what Lyon's Katharine will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.
